

JSAP Young Scientist Presentation Award Provision

1. This provision provides the guidelines concerning the JSAP award to its young members.
2. This award are designed to honor young JSAP members for their outstanding contributed oral presentations which would contribute to the development of applied physics.
3. Individuals eligible for the JSAP Young Scientist Presentation Award shall be JSAP members who gave outstanding contributed oral presentations during the spring and autumn meetings which would contribute to the development of applied physics. The individuals should not have previously received this award, and should meet the following qualifications:
 - 1) Under 34 years of age as of the succeeding April 1st
 - 2) Registered as a speaker and actually made the presentation at the meeting
 - 3) Applied for the JSAP Young Scientist Presentation Award upon submission (only one application per person allowed)
4. Individuals who are not JSAP members (i.e., JSAP Sub-members, members of partner societies or non-members) are not eligible for the award.
5. JSAP Annual Meeting Planning and Operation Committee shall select the awardees, in principle, up to 1.5 % of the total number of contributed oral presentations and recommend them to the Board along with reasons for recommendation.
6. The Board shall discuss the committee's selection results and decide the awardees.
7. The Board shall immediately notify the awardees of the decision and officially announce the awardees on our member journal "OYO BUTURI".
8. The awardees shall receive a certificate issued by the President of JSAP and a commemorative gift at the succeeding annual meeting.
9. The award shall be given under the name of the incumbent President of JSAP at the time of the awarding.
10. Amendment of this provision shall be carried out with the approval of the Director of General Affairs.
