

The Japan Society of Applied Physics Fellow Award Stipulations

(Content)

Article 1 The Fellow Award Stipulations shall provide the requirements for the Fellow Award given by the Japan Society of Applied Physics (hereinafter referred to as “JSAP”) to its members.

(Objective)

Article 2 This Fellow Award system is designed to bestow the title Fellow of JSAP (hereinafter referred to as “Fellow”) to regular members of JSAP who have made outstanding contributions to the development of applied physics through continuous activities in JSAP, in praise of their achievements, thereby encouraging them to exercise leadership as a member worthy of representing JSAP.

(Requirement)

Article 3 The outstanding contributions mentioned in the preceding article are those that contribute to the development of applied physics through academic and research activities, through the development and fostering of industrial technologies, and through educational and public-interest activities.

(Individuals eligible for Fellow Award)

Article 4 Individuals eligible for the Fellow Award shall be regular members who have been with JSAP for more than 10 years.

(Number of Fellows)

Article 5 Fellows of JSAP shall account for approximately 3% of the total number of individual members of JSAP.

(Nomination of candidates)

Article 6 The recommendation for Fellow Award candidates shall be based on a nomination form submitted by a Fellow. The format of the nomination form shall be specified separately. Fellow Award candidates shall consist of not only those recommended by Fellow members but also those recommended by honorary members, emeritus members, or regular members who have been affiliated with JSAP for more than 10 years, and those nominated by the Fellow Award Candidate Selection Committee (referred to as “Committee”) established temporarily, in order to smoothly and steadily manage the Fellow Award system. The stipulations of the Fellow Award Candidate Selection Committee and the format of the evaluation form shall be specified separately.

(Candidate selection process)

Article 7 To choose Fellow Award candidates, a Fellow Award Candidate Selection Committee shall be established. The Committee shall select appropriate candidates for a Fellow Award from nominated candidates by reference to submitted evaluation forms for candidates’ achievements, and nominate them to the Board.

The stipulations of the Fellow Award Candidate Selection Committee and the format of the evaluation form shall be specified separately.

(Decision of awardees)

Article 8 The Board shall discuss the candidates nominated by Committee and determine awardees.

(Public announcement)

Article 9 After a decision is made on the Fellow Awardees, the Board shall immediately notify them of the decision and officially announce it in *OYO BUTURI* and on the website of JSAP.

(Method of awarding)

Article 10 The Fellow Award shall be given under the name of the incumbent President of JSAP at the time of the awarding ceremony.

(Bestowing the title of Fellow)

Article 11 A Fellow Award Certificate shall be conferred on Fellow Awardee(s).

(Expiration date of the title)

Article 12 Fellow Awardee(s) may use the title during the period of their membership in JSAP.

(Stipulation amendment procedure)

Article 13 These stipulations may be amended after discussion in a Board meeting.

Supplementary provisions

These stipulations have been in effect since July 5, 2006.

Amended on July 6, 2007.

Amended on December 19, 2008.

Amended on July 2, 2010.
