

Public Notice of Elections: Officer Candidates and Representatives for the 66th Term (FY2027)

The Japan Society of Applied Physics
Election Committee

1. Officer Candidates

In accordance with the Articles of Incorporation and related rules and regulations, Officers for the 66th term (FY2027) will be elected from among Official Members at the General Assembly (Articles 19 and 20 of the Articles of Incorporation). Officer candidates to be submitted to the General Assembly will be selected from among the Official Members by elections prior to the General Assembly (Chapter 2 of the Officer Election Rules).

Number of positions subject to re-election in the current term:

Thirteen (13) Director candidates and one (1) Auditor candidate

The candidates shall be Official Members who wish to stand for election and Official Members nominated by the Board of Directors (Articles 6 of the Officer Election Rules).

Official Members wishing to stand for election in the Officer election are requested to indicate their category (Director or Auditor) and submit their nomination—together with the names of at least ten (10) nominating Official Members written in their own handwriting—to the Election Committee by Friday, July 31 (free format).

In addition, Official Members and internal organizations of the Society wishing to nominate an appropriate candidate for the Board of Directors are requested to submit the nominee's name and category, as well as the nominator's name, to the Election Committee by Friday, July 31 (free format). The Election Committee will forward all submitted materials to the Board of Directors.

In accordance with the recent amendment to the Public Interest Corporation Act, the appointment of an External Director and an External Auditor has become mandatory. Beginning with the current election cycle and continuing biennially thereafter, one External Director shall be designated from among the Directors elected at the General Assembly, and one External Auditor shall be designated from among the Auditors elected at the General Assembly, by resolution of the Board of Directors (Article 16 of the Detailed Rules; Article 1, Paragraphs 4 and 5, and Article 13, Paragraph 3 of the Officer Election Regulations).

2. Representatives

In accordance with the Articles of Incorporation and related rules and regulations, Representatives for the 66th term (FY2027) will be elected from among the Official Members (Article 5 of the Articles of Incorporation). The election will consist of voting for both nominated candidates and self-nominated candidates. Nominated candidates shall be recommended by the Nominating Committee for Representatives based on nominations submitted by Official Members and internal organizations of the Society (Article 19 of the Detailed Rules).

Number of re-elections in the current term:

55 from nominated candidates

Five (5) from self-nominated candidates (up to 10% of the number of nominated candidates)

Official Members wishing to stand for election in the Representatives election are requested to submit the prescribed form to the Election Committee by Friday, July 31.

Those wishing to nominate a suitable candidate, including self-nominations, are requested to submit the nominee's and nominator's names to the Nominating Committee for Representatives by Friday, July 31.
