

Career Counseling/Guidance for doctor students, post-doctoral researchers and prospective postgraduate students

Self-introduction form

Many thanks for visiting the Career Counseling/Guidance session. This project is planned to have the opportunity to have a talk with doctor students (including post-doctoral researches, master students and prospective postgraduate students) about career design, job-seeking, and worries of graduate school studying. As part of our efforts to make the counseling/guidance fruitful, we would appreciate your taking a few minutes to complete this self-introduction form. Please write down freely what you want to consult. Your information in this form and the contents of counseling/guidance will not be diverted to anywhere else.
