THE 73RD JSAP SPRING MEETING 2026

President's Reception for Open Networking in Applied Physics

Join us

17 March 2026
06:30 pm

Cafeteria "Tsubame Terrace"
2nd Floor, West Bldg. 5

This reception is a great opportunity for international researchers to connect with peers and engage directly with JSAP directors over drinks and snacks. Japanese participants who are interested in expanding their international networks and supporting international researchers are also warmly welcome. You can enjoy this event in any language.
