

October 12

The 68th JSAP Spring Meeting 2021 will be held online

We have decided to organize the 68th JSAP Spring Meeting as an online virtual meeting.

- All the sessions including poster sessions will be held online.

Oral sessions will be presented live using Zoom.

Details of the virtual poster session platform will be announced later.

Speakers residing outside of Japan can send their recorded presentation to the secretariat. Our staff will play the recorded presentations on their scheduled time.

- Symposiums will be recorded if we get approval from the organizers, and make available for the participants to watch after the meeting.

No other sessions except symposiums will be recorded.

- Exhibition will be held online.
