The 69th JSAP Spring Meeting 2022 will be held in hybrid format

We have decided to organize the 69th JSAP Spring Meeting 2022 in hybrid format.

Dates:

March 22 (Tue.)- 26 (Sat.), 2022

- *Oral sessions and poster sessions will be held during the same period.
- *The video recordings of symposium will be available to watch online for 1-2 weeks from April 4.
- *The meeting is scheduled for 5 days because 1) we will only use rooms with large capacity to avoid 3Cs and 2) we wish to curb the number of participants attending onsite in one day.

Oral Sessions

- Speakers can choose whether they will speak at the onsite venue or online.
- Sessions will be presented live via Zoom meeting.
- Symposiums will be presented live via Zoom webinar.
- Symposiums will be recorded if we get approval from the organizers and make available for the participants to watch after the meeting.
- No other sessions except symposia will be recorded.

Poster Sessions

- Poster sessions will be held only at the onsite venue. Poster presenters are required to attend onsite.

Other Evens

- The welcome reception will not be held either onsite or online.
- Exhibition will be held both onsite and online.

Registration

- Participants can choose whether they will attend onsite or online.
- In case that the COVID-19 situation worsens, we may consider placing restrictions on the number of onsite participants.

Possibility of Change of Meeting Format

The meeting will go fully online on the following condition. We continue to monitor the COVID-19 situation and decide, if necessary, by February 18.

- 1) The state of emergency is declared for Tokyo and the three neighboring area one month before the meeting and thereafter.
- 2) Aoyama Gakuin University is requested by the local authority to refrain from hosting the meeting.
- 3) Aoyama Gakuin University decides they cannot rent their campus for the meeting.

In case that the state of emergency is declared for other prefectures, we will ask those living and working in the prefectures concerned to refrain from attending onsite.

If the meeting goes fully online, we will organize the meeting as follows.

- The dates and program will not be changed.
- Oral sessions will be presented live via Zoom meeting.
- Poster speakers will give a short presentation (approx. 3 minutes per person) via Zoom meeting, then have Q&A in a Zoom breakout room allocated to each speaker.
