

Election of JSAP Representatives and Officer Candidates for the 62nd Period (Year 2023)

The Japan Society of Applied Physics
Election Administration Committee

Election of JSAP Officer Candidates for the 62nd Period (Year 2023)

Officer candidates for the next period (12 directors and 1 auditor) to be submitted at the spring 2023 general assembly will be selected through a vote by members in accordance with the Articles of Incorporation, detailed rules, and Officer Candidate Election Rules.

According to our bylaws, we had solicited candidates for the next officer election on our website and our membership journal. However there has been no candidacy.

position	Official Members nominated by the Board of Directors
